JOHNSON GOES INTO TRAINING

Arrives at Vegas; Says the Fight Will Go Only Ten Rounds.

Las Vegas, N. M., May 27.—Jack Johnson, the world's champion heavy-weight pugilist, arrived here last night from Chicago and declared that he would begin active training today for his fight here with Jim Flynn, July 4. The champion was met at the station by a large crowd headed by a band. In Johnson's party were his wife, two white sparring partners, Marty Cutler and Jack DeBray, two negro boxers, Watson Burns, a musician, Johnson's chauffeur and his wife's maid. Johnson was driven in an automobile to his training quarters on the Poythke ranch, eight miles from this city.

Johnson's train stopped in Trinidad some 15 minutes. The heavyweight was greeted at the depot by a crowd of six hundred persons. Johnson at first refused to be interviewed, but finally consented to come to the platform. "Don't forget what I said about the 10 rounds," he called as he reentered the train, "for that goes, sure."

AMARILLO DEFEATS DALHART AT HOME

Dalhart, Tex., May 27.—An exciting ball game was played Sunday on the Dalhart grounds between the Dalhart and Amarillo teams. The score was 16 and 11 in favor of the visitors. A second series will be played this afternoon, when the home team is expected to "come back."

COBB REINSTATED AND BACK IN GAME

Johnson Fines Tyrus, and Detroit Celebrates His Return.

Chicago, Ill., May 27.—President Ban Johnson, of the American league, Saturday night announced the reinstatement of outfielder Tyrus Cobb, of the Detroit club, whose suspension for attacking a spectator who, he said, had insulted him in New York, resulted in a strike by the Detroit players last week.

In addition to his 10 days' suspension he was fined \$50. President Johnson promised to a statement full protection to all players and said the league had arranged to increase the police force at every park, but declared severe punishment would be meted out to those players who "assume to act as judge and avenger of real or fancied wrongs while on duty."

Detroit celebrated Cobb's return to the game yesterday by defeating Chicago 6 to 2. Mullin pitched splendid ball, holding Chicago safely for eight innings. But in the ninth the locals got to him for five hits and were only able to score one run.

Plans for the trophy will be decided Saturday, August 31, when the pick of the world's golfers will be in Chicago to compete in the United States championship tournament, which is to be held the following week. The Olympic event will have an interest aside from the championship on account of teams from Canada, Scotland and England being already entered.

Announcement also was made of handicaps for the Western Golf association. Chick Evans and Albert Seckel have been placed at scratch, while H. Chandler Egan and W. C. Fownes, Jr. and E. A. Gardner, Paul M. Hunter and Nelson Phelps, Warren K. Wood and D. E. Sawyer have been allotted handicaps of one stroke.

Handicaps of two strokes were given F. M. Byers, George S. Lyons, A. F. Austin and F. H. Martin. The western open championship will be decided at Idlewild club, Chicago, August 28 and 29.

It planned to have a return match next Sunday on the range at Fort Bliss between the 22d and the gun club. The teams probably will remain the same. There will be no shoot next Sunday on the club grounds.

At the annual meeting Saturday night of the El Paso gun club, George Rutledge, president, and W. L. Frimling, secretary, were re-elected. James M. Paul was made secretary. F. M. Miller, last year's secretary, was made captain of the club.

3 WORLD'S AMATEUR RECORDS ARE BROKEN
New York, N. Y., May 27.—Three world's amateur athletic records were established during the 1000 meter race, won by 90 yards in 15-08 2-5. The former world's time was 15-11 2-5, made by Jean Bontemps of France, last year.

Abel Kiviat, of the Irish-American Athletic association, defeated Melvin W. Shepard, of the same club, 1500 meter race, winning the 1500 meter run in 3:53 1-3, and clipping three-fifths of a second off the world's record held by Harold Wilson, of England, since 1913.

The third record was made by James H. Duncan, of this city, who, competing unattached, defeated the discus thrower of England, since 1913, in 125 feet, 2 1/2 inches Olympic circle, 155 feet, one inch. This eclipses the great throw of E. Nilsson in the try-out at the Stockholm stadium, Saturday by 12 feet, 9 inches.

In accordance with the Swedish Olympic rules, Duncan hurled the discus 95 feet, 2 1/2 inches, with his left hand, the combined throw being 152 feet, 9 1/2 inches.

The lineup of the two teams and the batteries follow:
